### Grandma's Brooch

Finished Block 10" Square

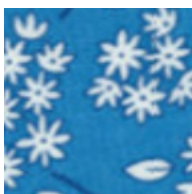

While similar to the Rolling Star, this block changes the center to allow for the addition of one more fabric. The choice of fabric can greatly change the look and focal point of this block.

**A** An 1/8 yard cut of fabric will be enough for fabrics B, C, D, and E.

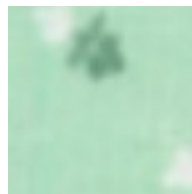

**B** You will need more than 1/8 yard of fabric A because you will need to make the boarder strips and the corner blocks.

**C**

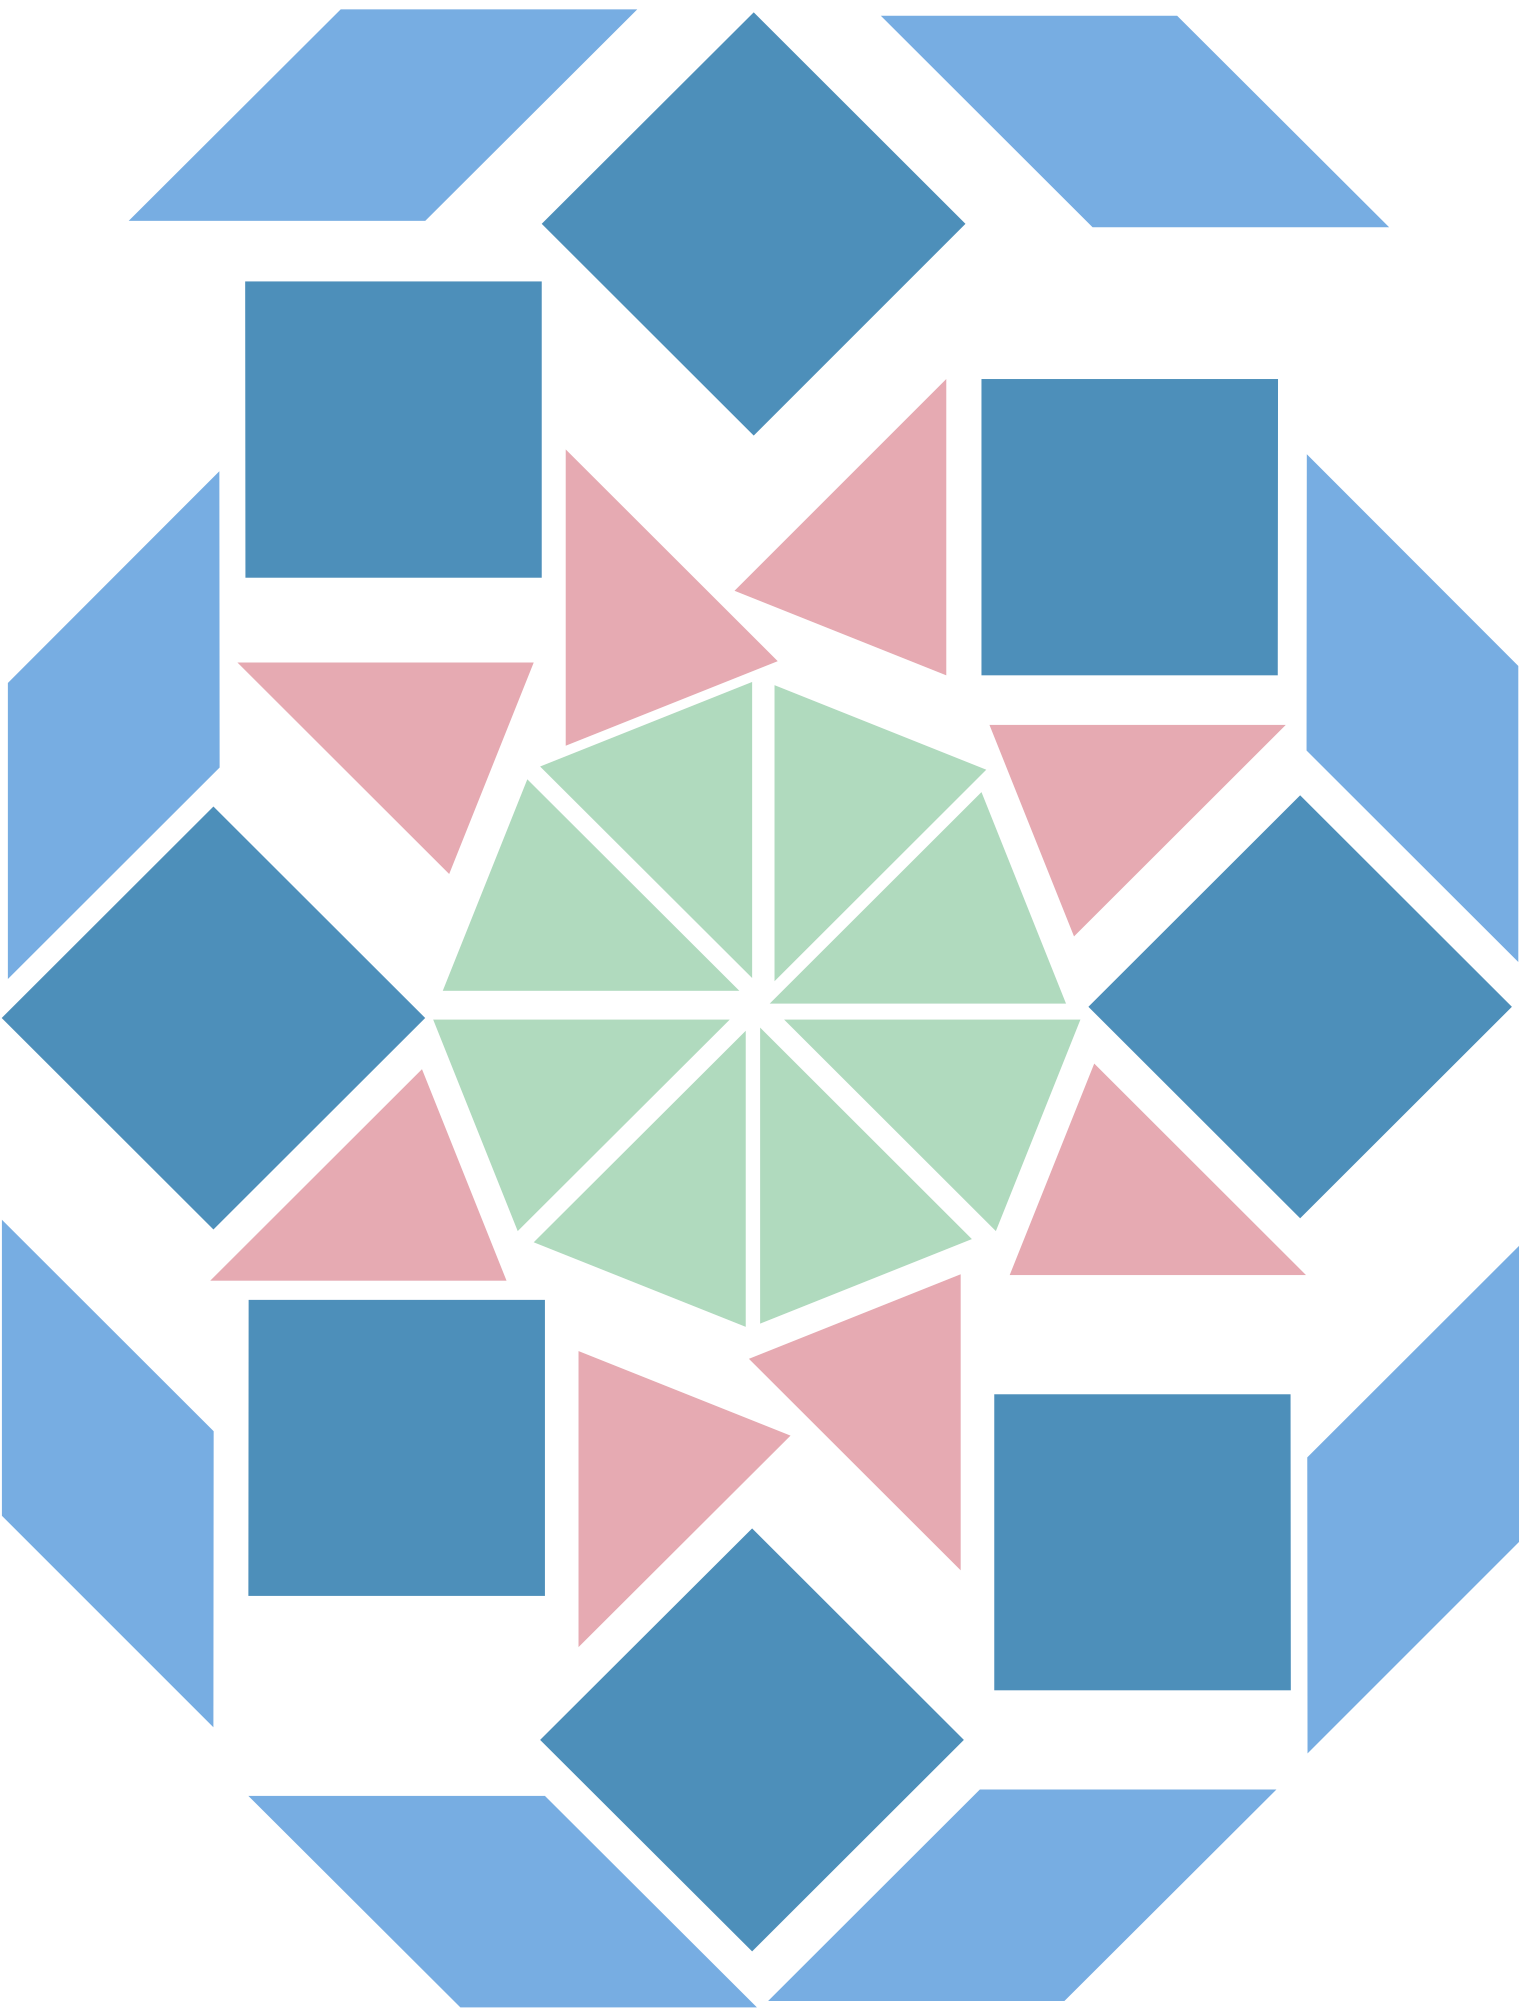

**D**

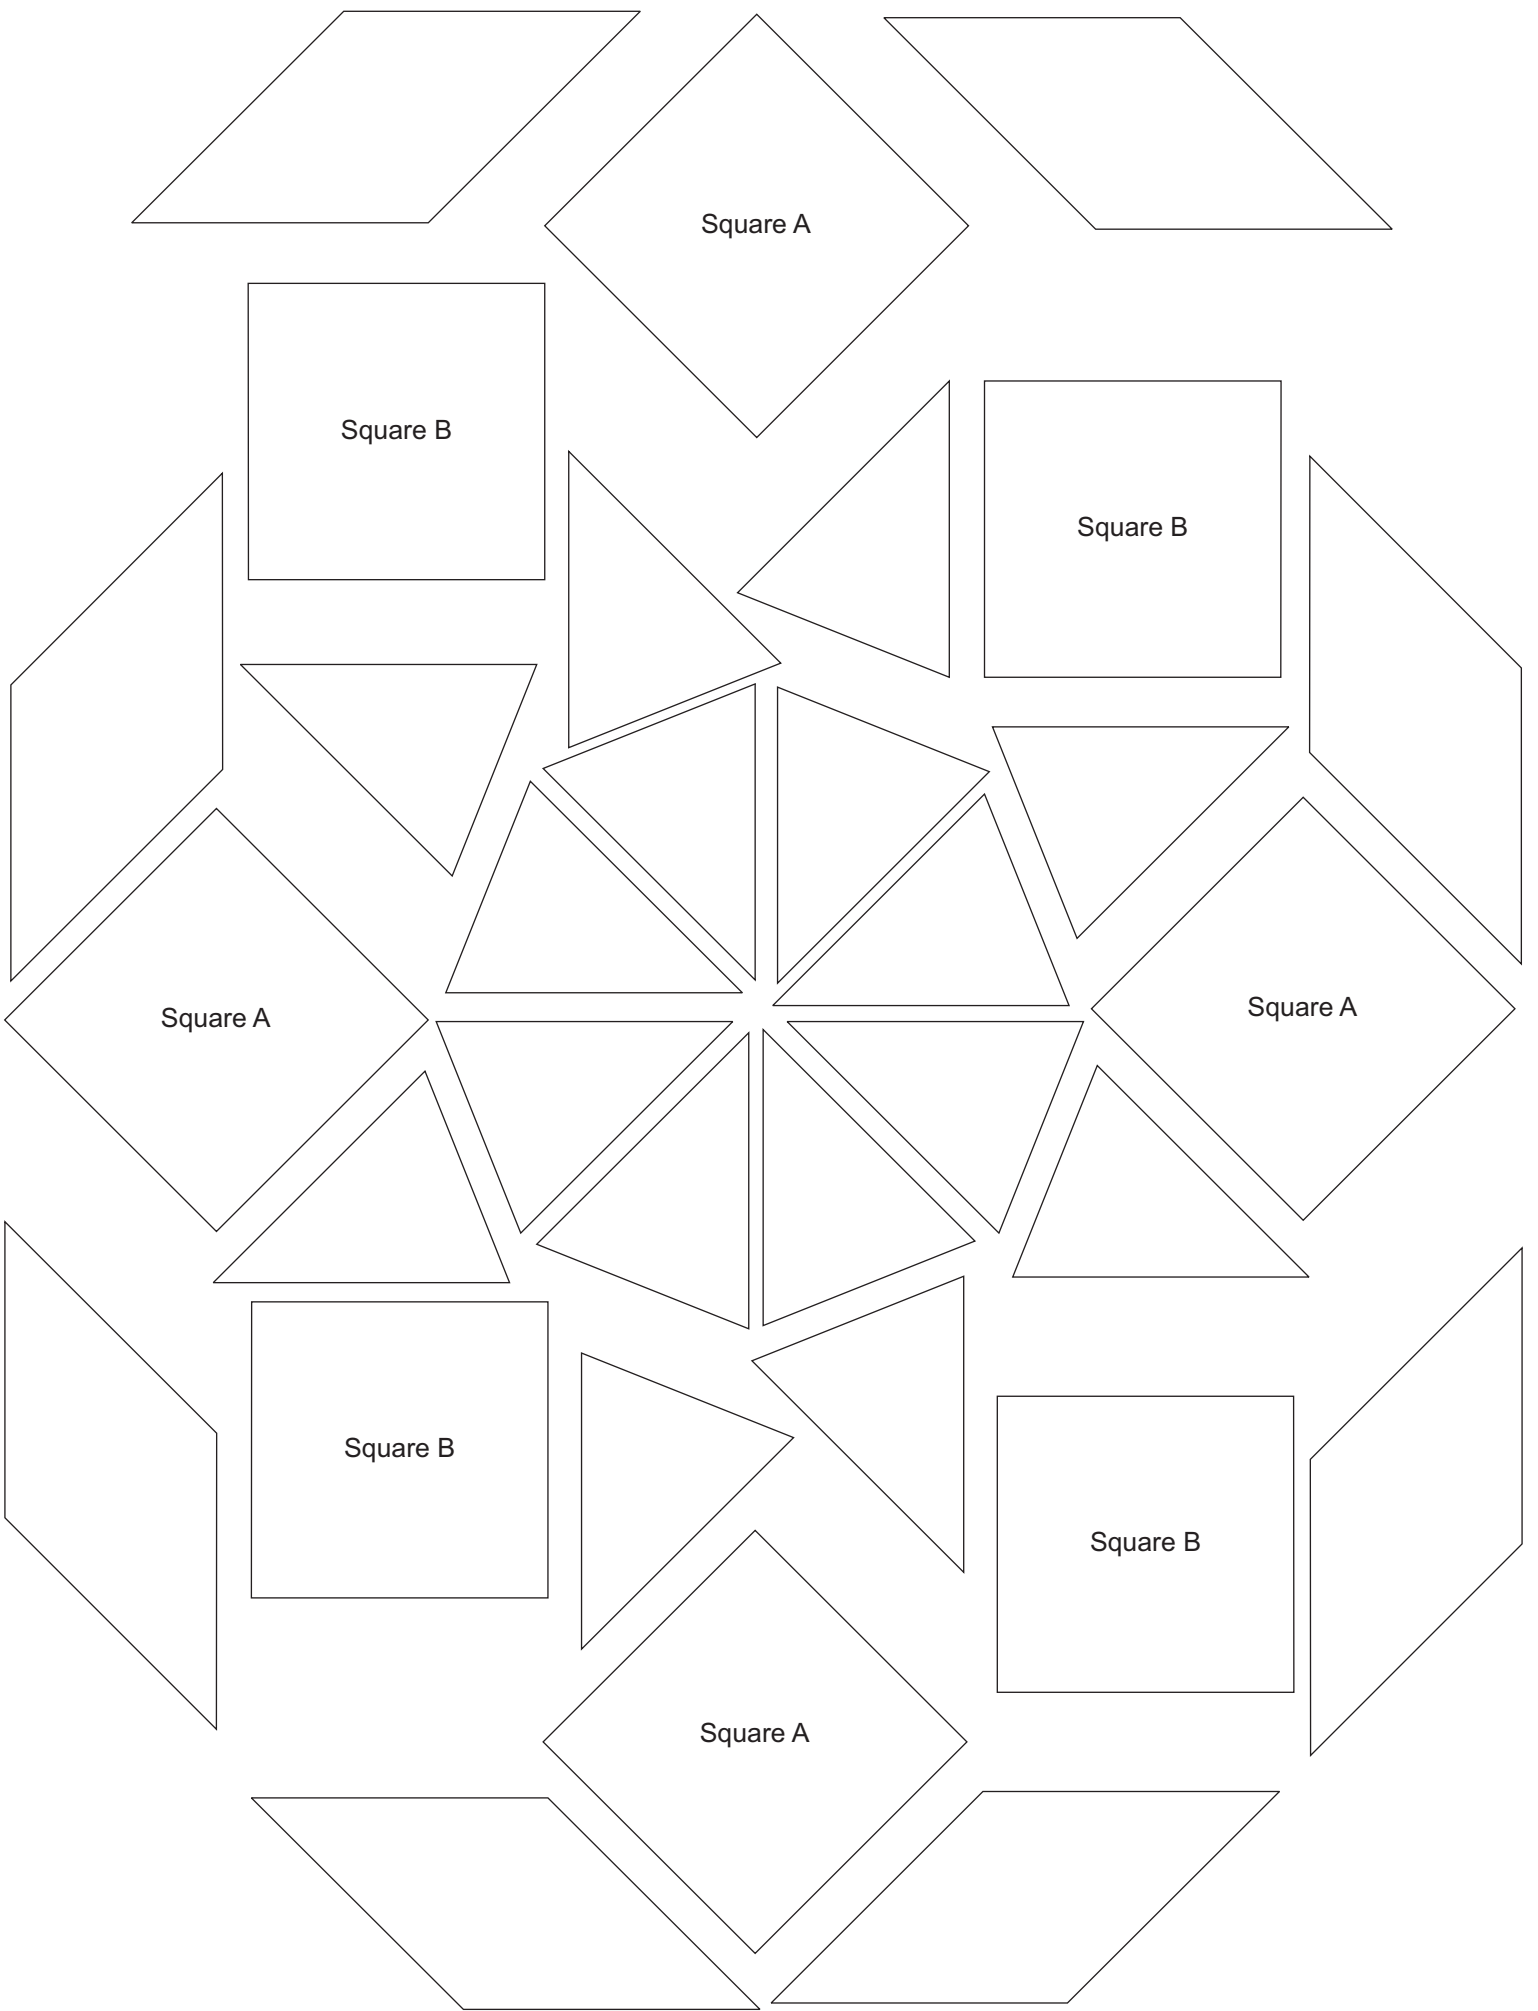

**E**

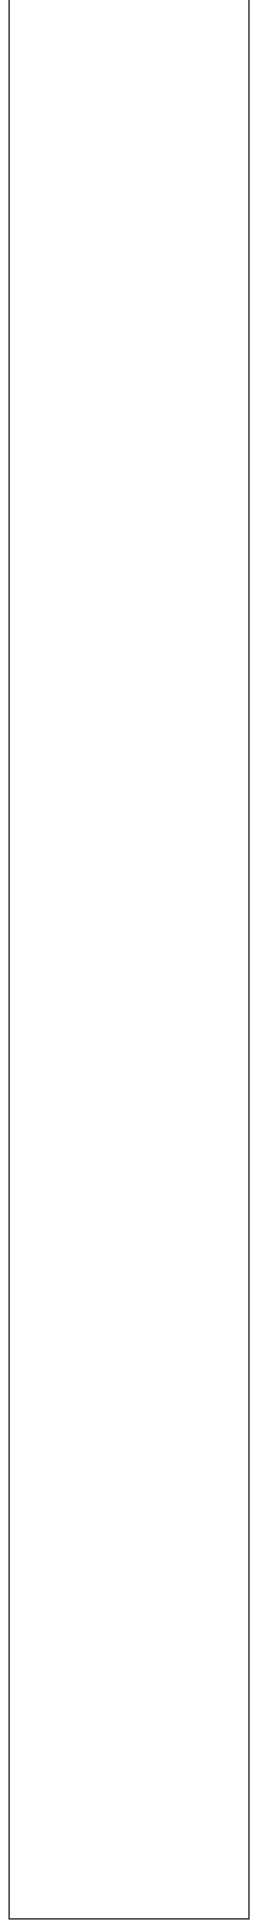

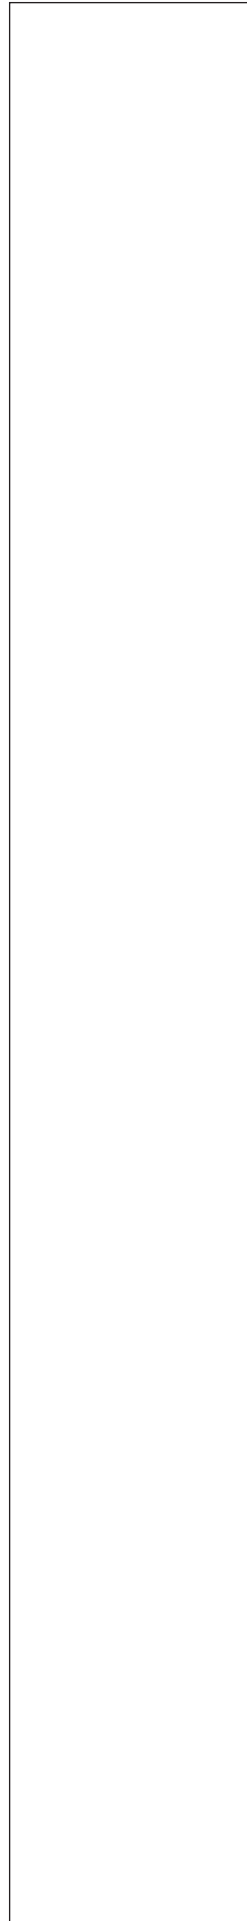

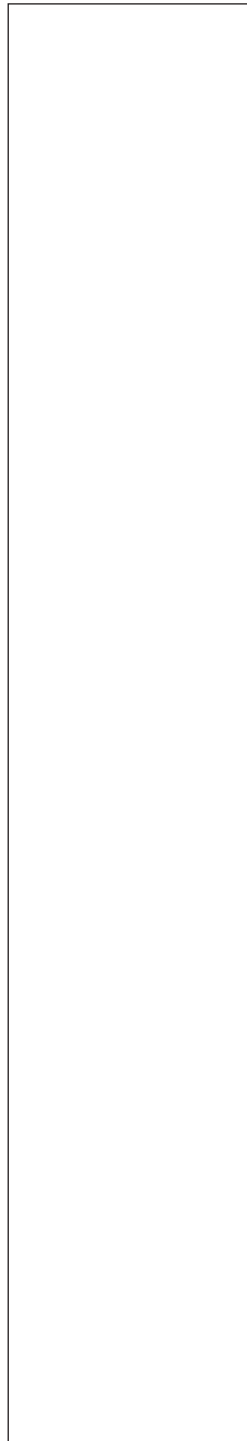

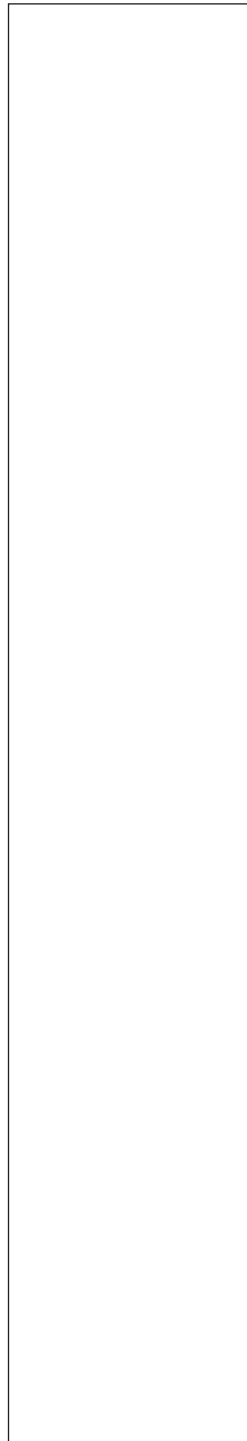

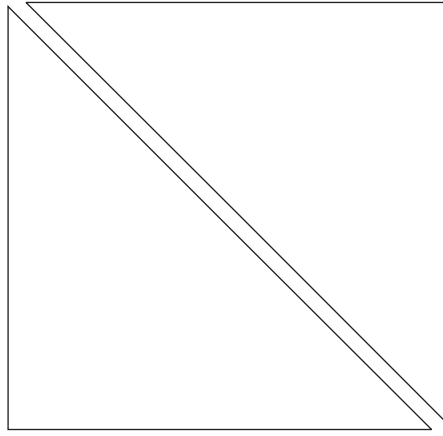

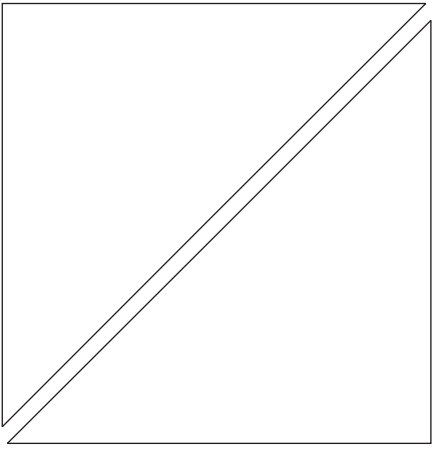

All template pieces on the following pages are drawn without seam allowances.

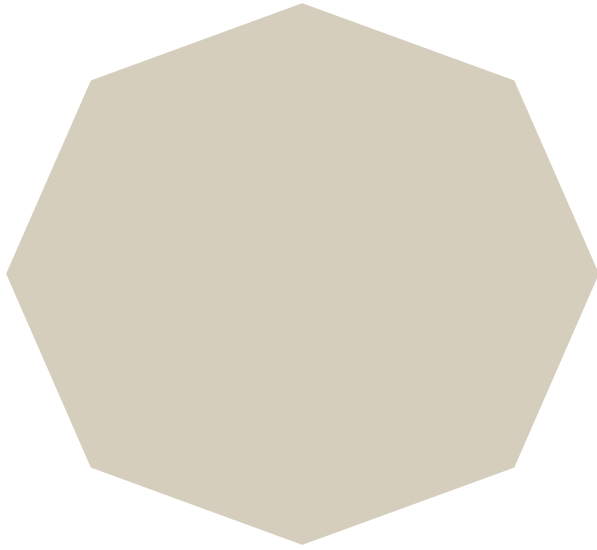

I have provided templates in color and in outline. You can use whichever you choose.
